DESCRIPTION

The Beneteau Swift Trawler 35 is a trawler-type motor yacht aimed at coastal cruising and longer passages, combining compact dimensions with easy handling. A single Cummins diesel of 425 hp provides reliable operation and low fuel consumption, important on longer trips, while a well-designed hull delivers stable, seaworthy behaviour. Despite its compact length she offers a well-planned interior with two cabins and a heads. The saloon is combined with the galley and enjoys good all-round visibility, creating a bright, open feel — comfortable for family time as well as trips with friends. Available now. Note: price quoted in Sochi/Novorossiysk including customs duties.
