DESCRIPTION

The Horizon 122 is a luxurious motor yacht built in 2009 by Horizon Yachts, a yard known for its quality and attention to detail. At 37.2 metres length and 7.96 metres beam she offers excellent stability and comfort on the water. Her elegant, contemporary design encompasses generous exterior and interior areas, with an interior in a modern style with classic accents. Inside there are five cabins, including a luxurious master with en-suite and walk-in wardrobe; each guest cabin is finished in high-quality materials with modern technology. The cockpit features a spacious dining area for eight plus two comfortable armchairs. The sundeck is fully equipped for enjoyable time on board — sun loungers, a U-shaped sofa for sunbathing and a further dining area with bar, grill, TV and fridge. Powered by twin MTU 16V 4000 M90 engines.
