DESCRIPTION

The Princess 82MY 2017 is an elegant motor yacht from the British yard Princess Yachts, built in 2017. She combines contemporary design, strong performance and impeccable comfort. Her signature Deep-V hull delivers a confident, smooth ride even in demanding conditions, while twin MAN V12-1800 engines allow speeds of up to 34 knots with excellent handling and efficiency. The main saloon with panoramic glazing includes a comfortable lounge, a dining group and a fully equipped galley. Four cabins, each with its own bathroom, accommodate guests in comfort. The spacious flybridge offers a full relaxation area with soft seating, a large dining table and a wet bar. Lying in Turkey and ready for delivery to a new owner.
