DESCRIPTION

Thanks to an elegant design in graphic style, the S65 model harmoniously combines dynamic forms and impressive functional qualities. The main deck is a single space that flows seamlessly from the yacht's open area to the interior, with panoramic windows spanning the entire length of the hull. The aft section features electric sliding doors, as well as a roof that can be retracted using an electric drive, allowing the cockpit to merge with the bar area and the interior galley.

Spacious deck areas include a cozy lounging spot on the foredeck, a sunbathing mattress at the stern, a hydraulic swimming platform and a tender garage for a 3.3-metre tender – an ideal place for water sports activities.

The sportbridge is equipped with modular lounging zones that can be adapted by adjusting the backrest angle and transforming the space into a forward-facing sunbed with storage compartment underneath.

EQUIPMENT

COCKPIT AND BATHING PLATFORM

- Self-draining system
- Cockpit cover

- U-shaped seating/dining area with folding teak table and drink holders
- Cockpit worktop (galley worktop extension under lifting window) with storage locker under steps
- Built-in stairway to sport bridge
- Storage locker for life raft
- Lockable hatch with gas strut in port lazarette
- Lockable hatch with gas strut to engine room
- Two transom gates leading to bathing platform
- Flagpole socket
- Electrohydraulic raising/lowering teak platform (500 kg load capacity)
- Transom steps for boarding from the swim platform when in lowered position
- Shore power connection inlet 220/240 V in locker

DINING AREA

- LED overhead and concealed lighting (24 V)
- Folding dining table/drink holders (4)
- Manual tension blinds (matt black) on windows
- Wooden flooring (tongue and groove planks)

GALLEY

- Waste bin
- 4-zone ceramic hob
- Full-size fridge/freezer (281 l)
- Slimline full-size dishwasher (9 place settings)
- Manual tension roller blinds (matt black) on windows
- 220/240 V sockets (4)

FORWARD CABIN

- Aft sunpad with drink holders
- LED lighting, overhead and deck
- Stainless steel handrails
- Storage locker for mooring lines
- Lockable hatch with gas strut to utility compartment/optional crew cabin on starboard side under aft sunpad
- Cabinet with remote fuel valve controls, manual bilge pump and manual controls for automatic fire extinguishers
- Transom handrails
- Garage (suitable for Williams SportJet 345 tender or similar), with electrohydraulic door and tender launch system with electric winch
- Retractable (manual) swim ladder on the side of the hydraulic platform
- Transom shower with hot and cold water

- L-shaped sofa with storage locker
- Sliding door to cockpit with stainless steel frame (three-section — one fixed and two sliding) with integrated lift-up galley window and built-in Skysol blind
- 220/240 V outlets (2)

- Solid Surface countertop
- Combination convection oven and microwave with grill
- 1.5-bowl stainless steel sink with mixer tap
- Crockery cabinets and storage drawers
- LED ceiling and task lighting (24 V)
- Wooden flooring (tongue and groove planks)

- Windows with opening portholes
- Large double bed with drawers beneath
- Vanity table
- Manually operated roller blinds (grey)
- LED overhead lighting (24 V)
- 220/240 V sockets (3) (one on each side and 1 under vanity)
- Carpet
- Full-length mirror and cabinet with shelves
- Storage cabinets
- Deck hatch
- Individual berth reading lights
- USB charging ports (4) (2 on each side – 1x USB-A and 1x USB-C)

24 VOLTS:

- Princess Connect telemetry and maintenance system

WATER SYSTEM

- Automatic water pump with filter
- 800 l water tank plus 73 l hot water (calorifier)
- Main circuit breaker on electrical panel
- Electric WC system with 272 l holding tank, level sensor and quiet electric overboard discharge, with back-up macerator system and dockside pump-out
- Water level indicator
- Water heating from engines and 240 V immersion heater
- Deck filler cap

DECK EQUIPMENT AND FITTINGS

- Platform, transom steps, cockpit and flybridge stairs covered with teak
- Bow anchor roller with automatic anchor release and retrieval
- Bow rope locker
- Bow (2) and stern (2) fairleads in stainless steel
- Stanchions and handrails in stainless steel (32 mm diameter)
- PVC rubbing strake with stainless steel insert
- Illuminated logo on transom
- Steaming light
- Loudhailer (connected to VHF radio)
- Fuel and water filler caps
- Bow seating area with U-shaped seating and walkthrough
- Electric anchor windlass with controls on foredeck and helm console
- Self-stowing anchor system; consisting of Lewmar Delta anchor (40 kg) with 60 m chain, 9.5 mm diameter
- Fender locker
- Mooring cleats in stainless steel at bow, stern and amidships (8 total)
- Handrails on roof in stainless steel
- LED deck lighting
- Full set of IMCO navigation lights
- Remote-controlled searchlight
- Twin electric horns
- Emergency hatch to foredeck
- Bow sunpad with two loungers, cushions, integrated storage locker and drink holders (4)

HELM STATION

- Twin helmsman seats with fore-aft adjustment, crown logo and flip-up seat for door access
- Raymarine Evolution autopilot with P70R control display
- Duplicate instruments and controls on flybridge and lower helm station:
- Adjustable steering wheel
- Magnetic compass
- Trim tab control with indicator
- Remote control for electric anchor winch
- Remote control for searchlight
- Cup holders
- Windscreen wipers with washer system – control options to be reviewed during design
- Bilge pump controllers with visual indicators
- Navigation light and instrument panel lighting switches
- 220/240 V socket (1)
- Pantograph door on starboard side at helm station
- Raymarine Axiom 2XL multifunction colour display (15.6" diagonal) with GPS/chartplotter, log and echo sounder
- 9" multifunction display showing engine parameters (including fuel level and consumption)
- Electrohydraulic power-assisted steering
- Rudder position indicator
- Electronic engine control
- Bow thruster control
- VHF radio with DSC and intercom
- Horn button
- Toughened windscreen (night vision compatible)
- External black mesh screen covers
- 24 V and 240 V electrical control panel
- USB charging ports (2) (1x USB-A and 1x USB-C)
- LED overhead lighting (24 V) and night lighting
- Wooden flooring (tongue and groove planks)

UPPER DECK/SPORTBRIDGE

- Duplicate instruments and controls (see Helm station)
- Raymarine Evolution autopilot with P70R control display
- Adjustable steering wheel
- Separate helm (fore-and-aft adjustable) and navigator seats with sufficient spacing between them for passage without obstructing the helmsman
- Large soft U-shaped aft sofa with storage underneath
- Twin folding teak dining table with drink holders
- Wet bar with sink and mixer tap, electric grill/BBQ, Solid Surface worktop and waste bin
- Transparent hatch for access to aft cockpit
- Raymarine Axiom 2XL multifunction colour display (15.6" diagonal) with GPS/chartplotter, log and echo sounder
- 9" multifunction display showing engine parameters (including fuel level and consumption)
- Cup holders (2), storage drawer and container locker at helm station
- Forward upholstered U-shaped guest sofa (converts into sunbed with additional infill)
- Movable backrest between dining area and sunbed (to convert sofa from U-shape to L-shape)
- Fusion Apollo SRX-400 audio system with Wi-Fi/Bluetooth/DAB; supplied with Fusion Signature 7.7" speakers (2)
- Top-loading refrigerator behind co-pilot seat
- Wind deflectors (grey tinted Perspex)

- Stainless steel handrails
- GRP radar arch
- Covers for helm console, seats, wet bar and table
- USB charging ports (2) (1x USB-A and 1x USB-C)

MAIN DECK SALOON

- U-shaped sofa with lockers/drawers for crockery storage
- Electric drop-down window on port side
- 55" TV on lift
- Storage locker under co-pilot seat
- Electric roller blinds
- Tempered glass windows with insect screens
- LED overhead lighting (24 V) and night lighting
- Dark grey tinted hatches with sliding blinds (electric roof hatch option)
- 220/240 V outlets (2)

CABINS

- All cabins and bathrooms (except crew cabin) are fitted with opening portholes
- All bathrooms (except crew cabin) have 240 V sockets for electric shavers

MASTER CABIN

- Wardrobes and storage drawers
- LED overhead and concealed lighting (24 V)
- Wooden flooring (tongue and groove planks)
- Two bedside tables
- Vanity table

- LED deck lighting
- Corresponding antennas for RT VHF radio
- Optional GRP hardtop (with dimmable LED lighting) or optional electrically-hydraulically operated canopy with or without lighting

- Coffee table
- Sideboard along bulkhead with storage for bottles, glasses and refrigerator
- Fusion Apollo MS-RA770 audio system with Wi-Fi/Bluetooth/DAB; supplied with Focal 100ICW6 speakers (2) and Focal 100ICW6 subwoofer
- Tinted glass sunroof with electric operation above the helm station and dinette
- Mirror glass bulkhead with door to cockpit
- Stainless steel handrails
- Companionway with soft-covered steps leading to lower deck (with storage space)
- Carpet

- Storage drawers
- Fusion Apollo MS-RA770 audio system with Wi-Fi/Bluetooth/DAB; supplied with Focal 100ICW6 speakers (2)
- Manually operated roller blinds (grey)
- 220/240 V sockets (4) (one on each side and 2 by the vanity table)
- Carpet
- 50" TV
- Panoramic windows with opening portholes
- Individual bedside lights
- USB charging ports (4) (2 on each side – 1x USB-A and 1x USB-C)

MASTER CABIN BATHROOM

- Solid Surface vanity with countertop
- Storage cabinets
- Window with opening porthole
- LED overhead lighting (24 V)
- Solid Surface flooring
- Mirror above washbasin
- Shower cubicle with automatic drain pump
- Manually operated roller blinds (grey)
- Bathroom accessories

FORWARD CABIN BATHROOM

- Solid Surface vanity with countertop
- Storage cabinets
- Window with opening porthole
- LED overhead lighting (24 V)
- Solid Surface flooring
- Mirror
- Shower cubicle with automatic drain pump
- Manually operated roller blinds (grey)
- Bathroom accessories

STARBOARD GUEST CABIN

- Two single berths with storage drawers underneath (convertible to double berth)
- Cabinet with shelves
- Storage cabinets
- Manually operated roller blinds (grey)
- Individual reading lights at berths
- USB charging outlets (2) (1x USB-A and 1x USB-C)
- Bedside table
- Mirror
- Window with opening porthole
- LED overhead lighting (24 V)
- 220/240 V socket (1)
- Carpet

BATHROOM

- Solid Surface vanity with countertop
- Storage cabinets
- Mirror
- Shower cubicle with automatic drain pump

- Window with opening porthole
- LED overhead lighting (24 V)
- Solid Surface flooring
- Bathroom finished in white laminate
- Non-slip floor surface (fibreglass)

PORT GUEST CABIN

- Two single berths (upper bunk)
- Mirror
- Window with opening porthole
- LED overhead lighting (24 V)
- 220/240 V socket (1)
- Carpet

LOWER LOBBY / CORRIDOR

- Washer/dryer with storage area above, located under companionway in corridor; separate washer and dryer can be installed if required
- Carpet

OPTIONAL CREW CABIN (IN PLACE OF AFT TECHNICAL COMPARTMENT)

- Furniture in selected boat wood type
- Lockers with shelves
- LED overhead lighting (24 V)
- 220/240 V socket (1)
- Wooden floor

ENGINES AND DRIVES

- Propeller shafts from Marinemet
- Bow thruster (170 kgf) with control from two stations
- Steering system with electro-hydraulic power assist
- Cathodic protection for stern gear
- Forward and aft bulkheads as well as engine room overhead lining to be covered with layers of acoustic insulation foam

- Manually operated roller blinds (grey)
- Bathroom accessories
- Door with access from lower lobby
- Shower with automatic drain pump

- Wardrobe with shelf
- Storage cabinets
- Manually operated roller blinds (grey)
- Individual reading lights at berths
- USB charging outlets (2) (1x USB-A and 1x USB-C)

- LED overhead and concealed lighting (24 V)

- Single berth with storage underneath
- Access via hatch under aft sunbathing platform and hinged door
- Individual reading light at berth
- USB charging outlets (2) (1x USB-A and 1x USB-C)

- 5-blade propellers in nickel-aluminium bronze
- High-speed balanced rudders
- Trim tabs with position indicators
- Electrical bonding of stern gear, engines, fuel filler neck and other components to a common ground
- High-capacity air intakes

- Engine room exhaust fan with electronic time delay
- Engine beds moulded into the hull for strength and vibration absorption
- Automatic fire extinguisher with remote control
- Engine room lighting
- Electronic engine and gearbox controls
- Self-centering shaft seals preventing leakage
- Exhaust gas silencers and water-cooled exhaust system
- Sound and vibration isolating engine mounts
- Automatic and manual bilge pumps
- Engine room access from cockpit via hatch with ladder
- Fresh water supply to engine room

24 VOLTS

- 4 heavy-duty batteries for engine starting
- 1 battery for generator
- Batteries charged via voltage-sensitive relay; both batteries connected in parallel when charge source available
- 6 A battery charger for generator battery
- Automatic circuit breakers for all electrical circuits
- EC specification: 13.5 kW diesel generator in sound-insulated housing with water cooling and exhaust silencing systems
- 60 A shore power connection inlet
- Polarity check system
- Sockets in: master cabin, guest cabins, galley and saloon
- 4 heavy-duty batteries for auxiliary services
- Battery switch with remote control at helm console
- 60 A battery charger charging both batteries through automatic charge-switching system
- Remote battery switches with control at main distribution panel
- 12 V step-down converter for certain navigation and radio equipment
- Automatic fire extinguisher next to generator
- Generator/shore power changeover switch
- Residual current device
- Shaver sockets in all bathrooms (except crew cabin)

FUEL SYSTEM

- Two fuel tanks (marine-grade aluminium alloy NS8) with interconnection system and total capacity of 4100 l
- High-performance fuel filters with water separators and changeover valves, water-in-fuel warning sensors and indicators at helm station
- Deck filler caps port and starboard
- Fuel level gauges at helm station (via MFD)

BILGE PUMPS

- Automatic/manual electric bilge pumps in engine room (2), lazarette, technical compartment and forward cabin (6 total)
- Electric bilge pumps have controls and indicator lights at helm station and visual-audible warning signal at flybridge helm
- High-capacity manual bilge pump with valve system at extraction points

FIRE EXTINGUISHERS

- Automatic fire extinguisher under helm station console
- Automatic and manual fire extinguishers in engine room with warning system at helm console

- Manual fire extinguishers (6) in master cabin, forward cabin, port and starboard guest cabins, galley and helm station

- Additional fire extinguisher installed when optional aft cabin is selected

ADDITIONAL STANDARD EQUIPMENT

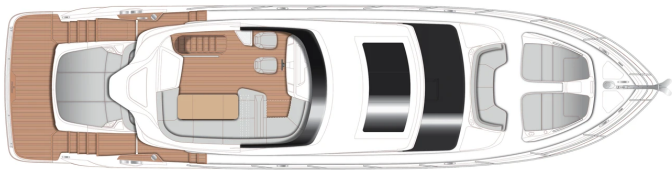

- | | |
|--|---|
| <ul style="list-style-type: none"> • Flagpole • Mooring lines (4) • Tool kit • Functional bed linen for all cabins (including optional aft cabin if selected) • Princess china set (8 place settings consisting of dinner plate, soup plate, cup and saucer) • Ship's papers portfolio • S65 emblem on canopies | <ul style="list-style-type: none"> • Fenders (6) • First aid kit • Owner's manual and engine operating manual • Glassware set (8 place settings consisting of tumblers and wine glasses) • Cutlery set (8 David Mellor 'Paris' place settings, 7 pieces) • Emergency handle for anchor windlass |
|--|---|

FINISHES

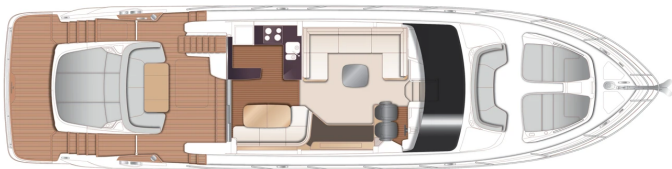

- | | |
|--|---|
| <ul style="list-style-type: none"> • Teak deck covering – aft platform, aft steps, steps to side decks, cockpit deck, steps to sportbridge • Rovere oak furniture with satin finish (standard). Optional finishes include ash or silver oak with satin finish or walnut with satin or gloss finish • Solid Surface basin countertops in all bathrooms • Choice of carpet and upholstery fabric from extensive range • Manual roller blinds (matt black on main deck, grey on lower deck) on all windows • Crew bathroom in white laminate with white Solid Surface countertops and non-slip floor (fibreglass) | <ul style="list-style-type: none"> • Wooden galley flooring, dining area (V-groove planks) • Solid Surface flooring in all guest cabin bathrooms • Solid Surface galley worktop • White vinyl exterior upholstery (standard) with option to upgrade to Comfort Exterior • Optional crew cabin furniture in selected boat timber with wooden flooring |
|--|---|
