DESCRIPTION

The Princess S80 yacht embodies luxury, performance and contemporary design. This sports yacht with impressive dimensions offers a unique combination of elegance and technical prowess, making it an ideal choice for discerning yachtsmen.

On the outside, the yacht stands out with sleek lines and an aggressive profile that emphasizes its sporting character. Spacious decks offer comfortable areas for relaxation, including sun loungers and outdoor dining areas, allowing you to enjoy sunny days and magnificent views.

EQUIPMENT

WATER SYSTEM	
• Water level gauge	• Deck filler
• Fresh water tank capacity 1400 l plus 200 l hot water calorifier	• Automatic water pump with filter (80 l/min)
• Pump control from helm station	• Electric fresh water WC system with 540 l holding tank, contents level sensor and silent electric overboard discharge, with back-up macerator system, and shore pump-out system

OWNER'S CABIN

- Carpet
- Large double bed with bedside tables and drawers beneath
- Walk-in wardrobe with full-length mirror, hangers, shelves and drawer storage systems
- Built-in safe
- Port side dressing table with integrated mirror, chair, storage drawers and lockers
- Sofa with storage drawers to starboard at forward bulkhead
- 55" LED TV
- Naim Uniti Atom audio system with speakers (2) and subwoofer
- Panoramic windows with opening portholes
- Venetian blinds on windows
- Dimmable LED lighting (24 V) with zone selection
- 220/240 V sockets (2)
- USB charging ports (4) (2x USB-A and 2x USB-C)

OTHER STANDARD EQUIPMENT

- Mooring lines (4)
- Tool kit
- First aid kit

DECK EQUIPMENT AND FITTINGS

- PVC rubbing strake with stainless steel insert
- Fuel and water filler caps
- Aft platform, transom steps, cockpit deck and stairway to flybridge (upper deck), side decks, foredeck and flybridge area covered in teak
- Reversible hydraulic anchor windlasses with control on foredeck, from main helm and flybridge
- Self-stowing roller with automatic anchor release and retrieval at bow
- Dual anchor system including:
- Main anchor - 80 kg galvanised Lewmar Claw (plough) anchor with stainless steel Lewmar swivel and 100 m of 14 mm diameter anchor chain
- Secondary anchor - 50 kg galvanised Lewmar Claw anchor with stainless steel Lewmar swivel and 70 m of 14 mm diameter anchor chain
- Deck chain stoppers
- Two electric mooring winches aft
- Deck hatch for access to chain locker and mooring locker
- Fresh water deck/anchor wash system (with bow and stern connections)
- Stainless steel fairleads on foredeck (1 pair)
- Stainless steel fairleads on aft deck (2 pairs)
- Spring-loaded stainless steel mooring cleats forward (2 pairs, port and starboard)
- Stainless steel mooring cleats (2 pairs, port and starboard)
- Stainless steel mooring cleats on transom (1 pair, port and starboard)
- Stainless steel handrails on foredeck and main deck side passages
- LED deck-level lighting
- Complete IMCO navigation light set
- Twin-lamp remote-controlled searchlight
- Stern mooring lights
- Twin electric horn
- Loudspeaker

- Flag holder and flagpole
- Stainless steel handrails on foredeck
- Twin overhead deck lockers for fender and line storage
- U-shaped foredeck seating (aft facing) with central locker and standard coffee table
- Williams Sportsjet 435 tender chocks for garage use
- Grey water tank pump-out connection
- Emergency hatch on foredeck
- U-shaped foredeck seating (forward facing) with optional coffee table
- Williams tender launch system including electric winch, rollers, non-slip flooring and chocks for Williams Sportsjet 435 tender

HELM STATION

- Bow thruster control
- Lower helm station with captain's seat, leather upholstered, fixed height with manual fore/aft adjustment
- The seats at the helm console have a folding footrest (third fixed seat at the console is an option)
- Control panel with display: shows engine instruments, surveillance cameras (option), fuel sensors, alarm system and rudder position indicator
- Electro-hydraulic power steering (Seastar)
- Magnetic compass for high-speed vessels
- Remote control of hydraulic anchor windlass
- 1 x 15" Böning display
- Autopilot
- Echo sounder with alarm
- Remote control for dual-lamp searchlight
- Audible and visual bilge pump alarms (via Böning)
- Automatic fog horn with loudspeaker
- Drink holders (2)
- Windscreen wipers with washer
- Bilge pump control with visual operating warnings
- Navigation and running light control switches, instrument panel
- 220/240 V socket (1)
- Fixed navigator's seat
- U-shaped sofa with side table, port side
- Two helm stations -- at the lower helm position/on the flybridge
- Adjustable Pininfarina steering wheel
- Electronic engine controls
- Two 15.6" displays with GPS/chartplotter and color radar display (with scanner)
- Engine malfunction audio and visual warning system
- Speed log for determining speed and distance traveled
- VHF radio with DSC (Digital Selective Calling) system and intercom
- Dual electric horn control button
- Fire alarm system in engine compartment
- Navigation chart storage
- Toughened windscreen (night vision compatible) with anti-misting system
- Black mesh sun screens
- 24 V and 240 V electrical system control panel
- LED overhead/recessed lighting (24 V) with dimmers, night lighting and zone selection

- Wood parquet flooring, V-groove planks (including steps to saloon)
- Watertight pantograph door providing direct access from starboard side passage

GALLEY

- 220/240 V sockets (4)
- HPL galley cabinetry (high-pressure laminate)
- Cooker hood
- Full-height Sub-Zero refrigeration units with freezer drawers
- 1.5 bowl stainless steel sink with tap
- Twin waste bin
- Cutlery storage
- Manual roller blinds on windows
- Starboard sideboard with storage, glassware, ice maker and refrigerator
- Manual Skysol blinds on cockpit doors and adjacent windows

STARBOARD GUEST CABIN

- Cabinet with shelves
- 220/240 V socket (1)
- Double bed with drawers below
- Vanity with stool
- Window with opening portholes
- Overhead/recessed dimmable LED lighting (24 V) with zone selection
- USB sockets (2) (1x USB-A and 1x USB-C)

ENGINES AND DRIVES

- High-capacity air intakes
- Automatic and manual bilge pumps
- Engine room extraction fan with electronic timer
- Engines mounted on flexible mounts

- USB sockets (2) (1x USB-A and 1x USB-C)

- Electric opening window on port side

- Granite/quartz worktop
- Miele 4-zone induction hob
- Miele combination convection oven with grill/microwave
- Miele slimline dishwasher
- Chopping board and storage
- Upper and lower storage cabinets and drawers
- Overhead and task LED lighting (24 V)
- V-groove plank flooring
- 3-panel cockpit doors in stainless steel frame, opening to starboard, with window to port

- Mirror
- Carpet
- Nightstand
- Storage drawers
- Venetian blinds with manual tensioner
- Individual reading lights

- Automatic fire extinguisher with remote control
- Forward and aft bulkheads and engine room headliner interconnected, including insulation with acoustic foam layers (see Design Standard DS876)
- Exhaust system silencers and water-cooled exhausts
- Propeller shafts in Marinemet material

- Five-blade propellers in nickel-aluminium bronze
- Cathodic protection of underwater fittings aft
- LED lighting in engine room
- Electrohydraulic power-assisted steering system
- Bow thruster (310 kgf) with dual-station control
- Self-aligning sealing shaft seals

24 VOLTS

- 4 heavy-duty batteries for engine starting
- Automatic circuit breakers for all electrical circuits

COCKPIT AND BATHING PLATFORM

- Self-draining teak-laid deck
- Electrohydraulic raising/lowering teak-laid bathing platform (load capacity 550 kg)
- Hot and cold transom shower
- Space beneath garage for optional Glendinning equipment
- Watertight door (opening upwards) providing access from bathing platform to crew area/engine room
- Two sun loungers with drink holders and backrests/headrests
- Two upholstered aft-facing seats; can be manually repositioned as needed
- Emergency hatch from engine room in cockpit
- Extending teak dining table (seats 6 to 8) with 8 chairs
- Locker on starboard side (remote fuel shut-off, manual bilge pump with valve box, manual control for automatic fire extinguishers)
- Oval stainless steel handrails
- Illuminated logo crown on transom

FLYBRIDGE (UPPER DECK)

- Balanced rudders for high-speed craft
- Equipment in stern, engines, fuel tank filler necks, etc. connected to common grounding bus
- Access to engine room from transom (through crew area) and via cockpit deck hatch
- Electronic engine and gearbox control
- Fresh water supply system to engine room

- Batteries charged via voltage-sensitive relay; both batteries connected in parallel when charge source available

- Princess logo on bathing platform teak
- Telescopic (manual) bathing ladder on bathing platform side
- Garage equipment includes electro-hydraulic door and electric winch for tender up to 4.35 m long
- Single transom door leading to bathing platform
- Telescopic passerelle with remote control and automatic folding rails (height 1.2 m)
- Two forward-facing seats
- Stowage locker for life raft in port side aft sun lounger
- Integrated stairway to flybridge with teak steps
- Wet bar on starboard side with sink and waste bin
- LED overhead and deck-level lighting
- Cockpit canopy (Note: shortened to provide access to garage and crew area)
- 220v/240v shore power inlets (2)

- Second helm station with instruments and yacht controls (see lower helm station)
- Drink holders (2)
- Settees along port and starboard sides
- Teak deck covering
- Transparent hatch to cockpit
- Aft-facing movable settee for dining area, upholstered with storage compartment (can be installed with tabletop behind helm station seating)
- LED lighting at deck level
- Two whip antennas for VHF radio
- Additional dining table

SALOON

- Large sofa on starboard side with locker beneath
- Coffee table
- Panoramic windows with tinted toughened glass on both sides
- 55" LED TV on lift
- Dimmable LED lighting (24 V) with zone selection
- USB sockets (4) (2x USB-A and 2x USB-C)
- Companionway to cabins

CABINS

- All cabins and bathrooms have opening portholes and air conditioning
- All bathrooms have 240 V shaver sockets

OWNER'S CABIN BATHROOM

- Electric freshwater flush toilet
- Bathroom cabinets in your choice of interior wood, with chrome fittings
- Storage cabinets
- Heated towel rail
- Venetian blinds with manual tensioner

- Two upholstered seats with manual fore/aft adjustment (for helmsman) on molded base
- USB charging points (2) (1x USB-A and 1x USB-C)
- Windshield in stainless steel frame
- U-shaped aft settee with coffee table
- Stairs to cockpit
- Port side wet bar with sink/faucet, barbecue, refrigerator and waste bin
- Radar mast
- Outdoor furniture covers
- Additional GRP hardtop with LED lighting and dimmers

- Sofa on port side with crockery storage drawer
- Saloon skylight with blind not included as standard
- Manual roller blinds on all side windows (excluding helm area)
- Naim Uniti Atom audio system with speakers (2) and subwoofer
- 220/240 V outlets (2)
- Built-in Ethernet router and 4G internet modem
- Carpet

- All cabins equipped with 220/240 V electrical appliances

- Twin wash basins and thermoformed Solid Surface countertop
- Mirror
- Shower stall with automatic drainage
- Window with opening porthole
- Overhead and concealed LED lighting (24 V)

- Bathroom accessories

- Artificial stone floor with synthetic teak inserts (also on partitions)

VIP STATEROOM

- Large double bed with bedside tables and storage drawers underneath
- Two wardrobes
- 43" LED TV
- Panoramic windows with opening portholes
- Adjustable overhead/concealed LED lighting (24 V) with zone selection
- USB sockets (4) (2x USB-A and 2x USB-C)

- Built-in safe
- Dressing table with integrated mirror, ottoman and storage drawers (port side)
- Naim Uniti Atom audio system with speakers (2)
- Venetian blinds for windows
- 220/240 V outlets (2)
- Carpet

VIP STATEROOM BATHROOM

- Electric freshwater flush toilet
- Interior cabinets in selected wood with chrome fittings
- Storage drawers
- Window with opening porthole
- Overhead and concealed LED lighting (24 V)
- Solid Surface flooring with synthetic teak accents (also on partitions)

- Washbasin and countertop in thermoformed Solid Surface
- Mirror
- Shower stall with automatic drainage
- Venetian blinds with manual tensioner
- Sanitary accessories

GUEST STATEROOM PORT SIDE

- Two single beds with drawers below
- Cabinet with shelves
- Lockers
- Venetian blinds with manual tensioner
- Individual reading lights
- USB socket (2) (1x USB-A and 1x USB-C)

- Nightstand
- Mirror
- Window with opening porthole
- Adjustable overhead/concealed LED lighting (24 V) with zone selection
- 220/240 V socket (1)
- Carpet

PORT CABIN HEAD

- Electric toilet with fresh water flush
- Interior cabinetry in choice of wood with chrome hardware
- Lockers

- Washbasin and countertop in thermoformed Solid Surface
- Mirror
- Shower stall with automatic drainage

- Windows with opening porthole
- Overhead and concealed LED lighting (24 V)
- Solid Surface flooring with synthetic teak accents (also on bulkheads)
- Venetian blinds with manual tensioner
- Bathroom accessories

STARBOARD CABIN HEAD

- Electric toilet with fresh water flush
- Interior cabinetry in choice of wood with chrome hardware
- Storage drawers
- Window with opening porthole
- LED overhead and concealed lighting (24 V)
- Composite flooring with synthetic teak accents (also on bulkheads)
- Thermoformed composite washbasin and countertop
- Mirror
- Shower stall with automatic drainage
- Venetian blinds with manual tensioner
- Bathroom accessories

LOBBY / CORRIDOR AREA

- Linen locker under companionway
- Cabinet with mirror on top
- Overhead/recessed dimmable LED lighting (24 V)
- Manual roller blinds on window
- Top-loading storage locker at window
- Combined washer/dryer located under companionway
- Carpet

CREW QUARTERS

- Access to engine room
- Wardrobe
- Lockers
- Overhead LED lighting (24 V)
- 220/240 V socket (1)
- Non-slip safety floor covering
- Bunk beds with storage space below
- Mirror
- Two-position venetian blinds
- Individual reading lights (2)
- USB socket (2) (1x USB-A and 1x USB-C)

CREW BATHROOM

- Electric toilet with fresh water flush
- Mirror
- Shower stall with automatic drainage
- Bathroom accessories
- Washbasin with Solid Surface countertop in Koko White finish (gloss)
- Storage lockers
- Overhead LED lighting (24 V)
- Solid Surface floor in Koko White finish (satin)

CREW AREA

- Access through transom door
- Storage locker/lazarette
- Non-slip safety floor covering
- Optional SEABOB storage (not available with microwave and refrigerator)
- Crew area finish – high-gloss white laminate
- Overhead grab rail
- Overhead LED lighting (24 V)
- Optional microwave and crew refrigerator (not available with SEABOB storage)
- Optional third berth

24 VOLTS

- 6 heavy duty batteries for auxiliary services
- Battery linking device with remote control at helm station
- 1x 100 A battery charger, 1x 100 A-3500 W battery charger/inverter and 1x 10 A battery charger (for generator batteries)
- 24 V to 240 V/50Hz inverter for saloon audio and video systems and galley refrigerator
- Princess Connect telemetry and service system
- 2 heavy duty batteries for generator starting
- Remote control switches for battery isolator on main switchboard panel
- 24 V to 12 V converters for certain navigation and radio systems
- Galvanic isolation system

220/240 VOLTS

- European specification: Standard 2 x 27 kW diesel generators at 50 Hz with possible upgrade to 2 x 28 kW at 50 Hz in sound-shielded enclosures with water cooling and exhaust silencing systems, with remote control at main panel
- Generator and shore power changeover switch, controlled from main panel
- Electrical leakage protection system, circuit breakers on all circuits
- Shaver sockets in bathrooms
- Shore power connection inlets for 220/240 V (2 x 63 A, single phase)
- Polarity check system
- 240 V electrical outlets in all cabins and living areas, at the helm station and galley
- 2 kW immersion heaters for fresh water (2)

FUEL SYSTEM

- Main fuel tank with total capacity of 7000 l (8800 l when extended range tank is specified)
- High-performance duplex fuel filters/water separators with integrated changeover valves and water-in-fuel warning sensors with alarm at helm station
- Fuel gauges at helm station
- Fuel fillers on both sides
- Remote fuel shut-off controls for main engines and generators in cockpit locker

AIR CONDITIONING SYSTEM

- Reverse cycle air conditioning/heating system (chilled water)

- Fan capacity 162000 BTU with chiller output 144000 BTU, suitable for temperatures up to 40°C (tropical climate), with windscreen demisting function

FIRE EXTINGUISHERS/FIRE SUPPRESSION SYSTEM

- Automatic fire suppression system in engine room (with manual override) and alarm at helm station, providing automatic shutdown of engines, generators and ventilation fans
- Smoke detector (and heat detector where required) on each deck (10-year battery life)
- Handheld fire extinguishers in each guest cabin, galley, crew area and flybridge
- Automatic fire extinguisher beneath lower helm

BILGE PUMPS

- Automatic/manual electric bilge pumps in engine room, lazarette and forward cabin
- Electric bilge pumps have controls, indicator lights and audible alarm at the helm
- High-capacity manual dewatering system with suction points in the same zones

OTHER STANDARD EQUIPMENT:

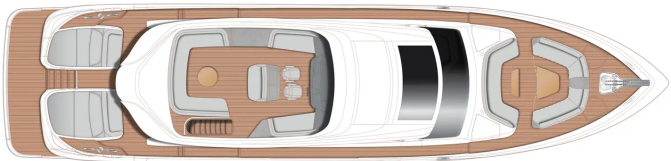

- Flagpole
- Towel set (8 bath, 8 hand)
- Full set of Lucrezia crystal glassware (8 sets consisting of tumblers, highball and wine glasses)
- Stainless steel cutlery set (8 sets of David Mellor 'Paris' cutlery – 7 pieces)
- Yacht documentation folder
- Fenders (8)
- Bedspreads provided in all cabins (except crew cabin)
- Sous Le Soleil crockery set (8 sets consisting of dinner plate, dessert plate, salad bowl, cup and saucer)
- Owner's manual and engine manuals

FINISHES

- Teak decks on all exterior deck areas (including flybridge)
- Rovere oak furniture with satin finish as standard. Additional finish options include ash or silver oak with satin finish, or walnut with satin or gloss finish
- Thermoformed Solid Surface vanity tops in all guest cabin bathrooms and day head
- Synthetic teak accents on shower walls and shower floors in guest cabins
- Choice of high-quality carpets and fabrics from extensive range
- Blinds on all windows and portholes (excluding helm doors and pantograph doors)
- Non-slip safety flooring used in crew cabins
- V-groove plank flooring in galley and lower helm
- Solid Surface flooring in all guest cabin bathrooms and day head
- Bathroom cabinetry in yacht's selected interior wood (please specify), with chrome bathroom hardware as standard in all guest bathrooms and day head (excluding crew bathrooms)
- Galley countertop in granite or quartz
- Exterior upholstery selected from Comfort Exterior fabric collection (without contrast piping)
- All lower deck crew furniture in high-gloss white laminate, with Solid Surface flooring and countertop in bathroom
- Non-slip safety flooring in crew area and passageways
