DESCRIPTION

The new model in the V Class lineup is an excellent choice for a versatile yacht for weekends on the water. Versatile because this hardtop yacht easily transforms into an open yacht, perfect for taking off from the marina to your favourite bay in fine weather. The sliding roof element opens five full square metres of space above your head in the saloon to the sun and sky. The Princess V40 is equipped with a full galley laid out on the lower deck, as well as a small dinette, two double cabins and a head.
