DESCRIPTION

The Princess V55 is a dynamic yacht with sporting hull lines that combine high performance, contemporary design and the comfort needed for long passages. Twin Volvo Penta D13-1000 engines of 1,000 hp each provide impressive speed, confident handling and exceptional manoeuvrability. She is equipped with a hydraulic bathing platform, a telescopic passerelle, an electric cockpit sunshade, a modern multimedia system, Garmin navigation and air conditioning. This V55 is built and fully ready for delivery from Sweden.
