DESCRIPTION

A Princess X95 built in 2021, presented in impeccable condition and one of the most attractive offers in its segment. The flagship of the X Class combines advanced engineering, a high level of comfort and Princess Yachts' signature quality, offering enlarged spaces and new ways to enjoy time on the water. Its innovative architecture with an extended flybridge and modern design gives increased interior and exterior areas — generous decks, a bright saloon with panoramic glazing and an upper lounge. The layout accommodates up to ten guests in five cabins, including a full-beam master on the main deck for extra comfort and privacy. Equipment includes an upper-deck jacuzzi, a ride and anchor stabilisation system, a Williams DieselJet 505 tender, modern navigation and an updated generator. Aft there is a beach area with a hydraulic bathing platform, and the upper saloon combines lounge, bar and dining. Separate crew cabins with independent access accommodate up to five. Low engine hours and full service history make this an especially attractive offer.

EQUIPMENT

- Interiors: SILVER OAK SATIN (light oak, matte finish)
 - Standard hydraulic system
- Standard crew cabin layout with garage for Wetbike and additional storage for two Seabob
 - Electro-hydraulic convertible swimming platform (load capacity 1000 kg)

- International VHF radio station (VHF)
