DESCRIPTION

The flagship of Princess Yachts was unveiled in 2020. The yacht's wide hull is designed so the X95 can be operated in any weather, at any latitude, while burning fuel efficiently. The extensive glazing of the decks speaks not only to Princess Yachts' mastery of glass—a material now highly sought after in yacht construction—but also to the fact that views from anywhere on board will be stunning and that the saloons, both upper and main (on the main deck), will be filled with light throughout the day. This, as we know, is the best way to expand space.

Three layout options are available for the main deck of the Princess X95: with a master stateroom forward, with a spacious lounge and dining area, or with a lounge, dining area and cinema. On the lower deck, in addition to four luxurious staterooms, one can design either a more spacious crew area or, conversely, a more compact one. The flybridge can be fitted with a jacuzzi.

EQUIPMENT

DECK EQUIPMENT

- Cleats, fairleads and handrails in stainless steel
- Cockpit cover
- Two electric winches for aft mooring lines
- Lockers for lines, fenders and sunbed cushions
- Fresh water anchor and deck wash system
- Twin transom gates leading to swimming platform with electrohydraulic mechanism
- Hot and cold water shower
- Transom doors for direct garage access with electrohydraulic door and manual jet ski launch system (3.05 m length)
- Aft mooring control station
- Two self-stowing galvanised anchors weighing 125 kg/275 lbs with 100-metre chain (each)
- Stern mooring lights
- Deck-level lights
- Two reversible hydraulic anchor windlasses with controls on the bridge
- Forward relaxation and sunbathing area
- Telephone socket
- U-shaped sofa with teak dining table
- Folding swimming ladder
- Door leading to crew cabin and engine room from side deck
- Telescopic passerelle (5 m) with remote control and folding handrail
- Teak-laid swimming platform and passerelle, cockpit deck, flybridge, flybridge stairs, side decks and foredeck passage
- Anchor pockets with automatic anchor lowering and raising mechanism

INTERIOR FINISH

- Wide selection of high-quality upholstery fabrics and carpets
- Countertops and flooring in all guest bathrooms finished in various types of marble, granite or quartz
- Curtains, blinds or solar films on all windows and portholes
- Choice of timber finish: matt or polished. Rovere oak as standard. Walnut or bleached oak optional
- Galley with countertops finished in various types of granite or quartz
- Wood flooring in galley and wheelhouse

ELECTRICAL SYSTEM

- 24-volt:
- LED lighting fixtures
- Ground fault protection, reverse polarity protection system, all circuits protected by circuit breakers
- Two 100 A battery chargers charging both battery sets through automatic charging system
- Two 28 kW diesel generators with dedicated sound insulation and water-cooled exhaust system with silencer
- 6 auxiliary high-capacity batteries for powering onboard yacht systems
- 4 heavy-duty batteries for engine starting
- 220/240-volt:
- Electrical outlets in all compartments
- Main battery remote switches and control switch on main panel
- Three-phase and single-phase shore power connection sockets
- Battery management system with remote monitoring at the helm station

FUEL SYSTEM

- Fuel filler caps port and starboard
- High-efficiency duplex fuel filters/water separators with audio and visual contamination alarm system
- Valves in cockpit locker for remote fuel shut-off
- Main fuel tank (marine-grade aluminium alloy NS8) with 13,400 litre capacity

WATER SYSTEM

- Water level gauge
- Electric freshwater flush toilets with 720-litre tank
- Water tank with 205 litre capacity

OTHER STANDARD EQUIPMENT

- First aid kit
- Aft flagpole
- Vessel documentation package
- Set of cutlery, crockery and glassware (8)
- Set of towels (8 large, 8 small)
- Fenders (6) and mooring lines (4)

CABINS

- All cabins fitted with 220/240 V sockets
- All cabins and heads fitted with opening portholes and independent reverse-cycle air conditioning
- Spring mattresses fitted throughout
- All bathrooms fitted with shower enclosures, freshwater electric flush toilets, extractor fans and 240 V razor sockets

FLYBRIDGE

- Aft deck area with loose furniture arrangement
- Dining table with seating for 8 guests (10 guests in 5-cabin layout)
- Naim Uniti Atom audio system with waterproof speakers
- Serving area with sink and tap
- Optional — lifting crane (load capacity up to 1000 kg)
- Liferaft locker

WHEELHOUSE

- Sliding door to panoramic lounge
- Full engine instrumentation including fuel level gauges, exhaust temperature sensors, fuel contamination warning system and rudder position indicator
- Navigation system with radar, GPS and chartplotter (3 displays), VHF/RT, log displaying speed and distance travelled, echo sounder with alarm, autopilot and fast-response magnetic compass
- Controls for bow thruster, windscreen wipers, bilge pump and transom trim tabs (with indicator)
- Intercom system for communication with galley and crew accommodation
- 24 V and 240 V electrical system control panel
- Red night lighting
- Toughened windscreen (non-tinted for improved visibility at night)
- Electrically adjustable helm chair
- U-shaped sofa with table on port side

- Sliding door from helm to starboard side deck and electrically operated drop-down window on port side
- Fog horn with loudspeaker

PANORAMIC LOUNGE

- L-shaped sofa with coffee table
- Drinks cabinet with bottle and glass storage and refrigerator
- Sliding doors to aft section of flybridge in stainless steel frame

GALLEY

- Five-burner induction hob
- Microwave with grill
- Forward dining area with entertainment centre comprising Naim audio system
- Cupboards and drawers for crockery

MASTER CABIN

- Wardrobe with hanging rail and drawers
- Small table and two-seater sofa
- 55-inch 4K Ultra HD LED television, DVD/Blu-ray player and Naim audio system
- Head with shower enclosure and towel warmer

FORWARD CABIN

- Large double bed with storage drawers below
- Dressing table with stool
- Head with shower enclosure

GUEST CABIN STARBOARD

- Two single beds with under-bed storage (with electric conversion option to double bed)
- Wardrobe with shelves

GUEST STATEROOM PORT SIDE

- Two single beds with under-bed storage (with electric conversion option to double bed)

- Surveillance cameras (engine room and cockpit)

- Entertainment centre including 55-inch 4K Ultra HD LED TV with electric lift mechanism, DVD/Blu-ray player and Naim audio system

- Glass roof with electrically operated blinds

- Oven

- Full-size fridge-freezer with pull-out drawers

- Island galley module with two stainless steel sinks and dishwasher

- Dressing table with stool

- Built-in safe

- Large double bed with bedside tables and under-bed drawers

- Separate wardrobe with shelving

- 40-inch Ultra HD LED television and Naim audio system

- Bedside table with drawer

- Head and shower

- Bedside table with drawer

- Wardrobe with shelves

- Head and shower

CREW ACCOMMODATION

- Captain's cabin with single bed, wardrobe and storage drawers
- Crew cabin with two single beds, wardrobe and storage drawers
- Bathroom with separate shower enclosure, freshwater electric flush toilet and washbasin
- Engine room access
- Crew mess with sink, refrigerator, microwave and washer with separate dryer

AIR CONDITIONING SYSTEM

- Reverse-cycle air conditioning system in all habitable spaces, providing cooling and heating, total capacity 342,000 BTU, linked to windscreen blower system. Suitable for tropical operation (40°C)

FIRE EXTINGUISHERS

- Manual fire extinguishers in all cabins, galley, crew quarters and on flybridge
- Automatic/manual fire extinguishers in engine room with alarm at helm station and engine ventilation shutdown system

MAIN DECK SALOON

- U-shaped sofa and coffee table
- Starboard sofa with storage compartment
- Entertainment centre comprising 4K ultra-high-definition LCD television with 65-inch screen and electric raising/lowering mechanism, DVD/Blu-ray player and Naim audio system
- Drinks cabinet with bottle and glass storage, refrigerator and ice maker
- Four armchairs with coffee table to starboard
- Door to side deck
- Day head

LOWER DECK LOBBIES

- The space is fitted with a full-size crockery cabinet and allows for installation of an additional washer/dryer

ENGINES AND DRIVES

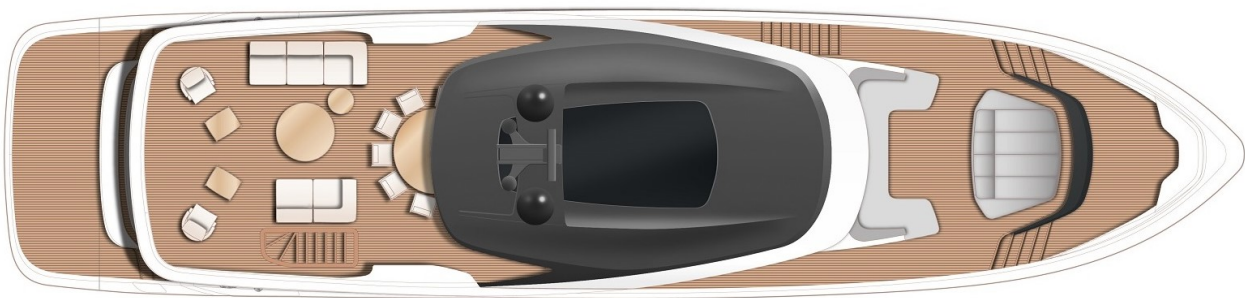

- 5-blade nickel-aluminium bronze propellers
- Bow thruster (550 kgf)
- Electric power steering with hydraulic backup system
- Electronic engine and transmission control systems
- Sealed shaft seals
- Engine room exhaust fan with electronic delay timer

BILGE PUMPS

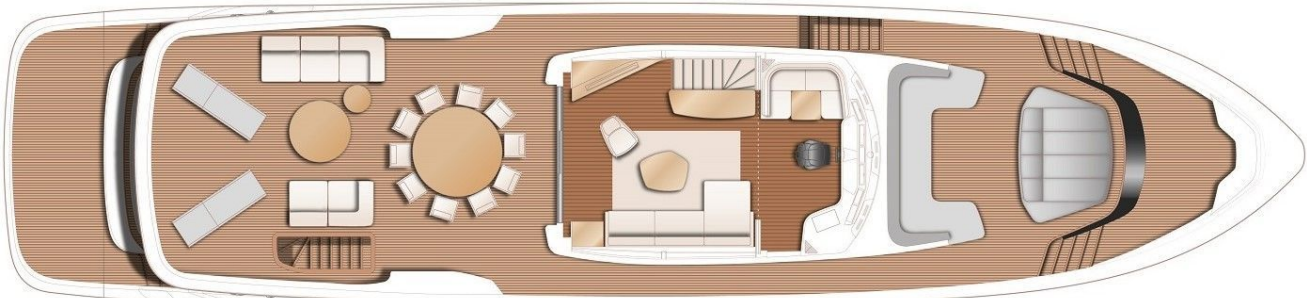

- Automatic/manual electric bilge pumps
- High-capacity manual bilge pumps with valve system and pump-out points coinciding with automatic pump locations
